

[illegible][illegible]

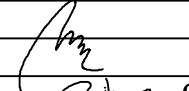

Technical cross-section drawing of a road and drainage system. The drawing shows a road with a central carriageway (vozisče) and side pavements (levi and desni zavajalni pas). It includes various layers like asphalt (asfalt), concrete slabs (betonski robnik), and a drainage system with a ditch (otok) and a drainage channel (odtok). Dimensions are given in meters and centimeters. A legend at the bottom left identifies symbols for the road cross-section and the drainage system. A scale bar at the bottom right indicates 0 to 10 meters.

Legend:

- OBSTOJEČA MEŠANA KANALIZACIJA
- OBSTOJEČA KANALIZACIJA

Scale: 0 10
