

Architectural floor plan of a building, showing various rooms, corridors, and technical annotations. The plan includes a grid system (A-P, 1-30) and detailed room layouts. Key areas include a central corridor (koridor), a staircase (schodisko), and several rooms labeled with numbers and letters. Technical annotations include dimensions, material specifications, and room names. A red dashed line indicates a specific path or boundary. A small inset map shows the building's location within a larger context.
